What we do

Women's Network PEI has dedicated itself to improve the status of women in our community. Acting as a forum for the voices of Island women, we provide them with opportunities to realize power, knowledge, abilities, vision and financial security.

Why we need your help

We are a project-based organization, which means our operational costs are never guaranteed to be covered. Fundraising helps us keep our office run year-round with no interruptions. **By supporting us, you are helping make real positive change in many Island women's lives!**

This year's event features the award-winning singer-songwriter Irish Mythen, and an improv comedy troupe—a program that is sure to draw a crowd—but will still rely heavily on support from generous community members and businesses. There are three ways to help:

Sponsorship Choices

Island Women's Ally

Donate one or more items for the raffle baskets.

Island Women's Hero

Purchase any number of the event tickets to be given away to low-income women who would like to attend the event, but can't afford to buy the ticket.

Island Women's Champion

By contributing \$500 as a sponsor for this event, you will be considered an Island Women's Champion and you will receive:

- Two tickets to the event
- Advertising on social and print media, and our website
- Signage at the event

DID YOU KNOW?

In 2009, only a few women worked in the Prince Edward Island skilled trades and industrial technology sectors. With such low numbers, the sector was projected to see equal numbers of women and men working in the trades in 276 years. Thanks to a shared effort, spearheaded by Women's Network PEI, the province is now on track to see that happen in just 45 years.
